**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I know this is a waste of time but I wish you would take steps to allow small, independent internet providers to flourish in the market. Sonic is my internet provider and I have been very pleased with their service after years of dealing with Comcast and AT&T.

As car dealers like to say, "money talks and bullshit walks" I hope the FCC has better ethical standards than the average car dealer.

I live in hope.
